By submitting this request, you consent as follows:

Why do we collect, use and disclose your personal information?

We may collect, use and disclose your personal information so that we can:

- assess any application for credit and to provide and administer your credit facilities and related services;

Where you provide information about another person, it is important in order to protect their privacy, that you let them know you are sharing their information with us, and ensure they are aware of what is in this notice.

We do not normally collect sensitive information from you about other people, but you may want to give us this type of information in certain situations (for example, you might tell us about medical or health issues of people in your family when you ask us for financial hardship assistance). It is important that you only give us their sensitive information if the person has agreed to you sharing it with us.
