Changes to your Credit Card Terms and Conditions and Other Important Information effective 27 December 2018

We are replacing reference to 'usecreditwisely' website, on the cover page with 'creditsmart.org.au' as it is no longer valid.

Changes applying to the section titled *Part A: Credit Card Terms and Conditions*

- Section 2 - Use of Cards and the Account

Credit Limits and other Limits

We are inserting a new clause which gives you an entitlement to request a reduction in your Credit Limit by contacting us, including through internet banking.

Accordingly, a new paragraph is inserted at the bottom of the ***Credit Limits and other Limits*** section, above the heading ***Additional cards*** as follows:

You are entitled to reduce your credit limit to any amount that equals, or exceeds, the minimum credit limit for your product. To request a reduction in your credit limit you can contact us, including by making a request through internet banking. You will need to ensure your account balance does not exceed the requested credit limit before

we can make the credit limit reduction. We will reject transactions until that happens where we can (however we are unable to reject some transactions e.g. because of network rules or systems constraints), and we will tell you if there is anything else you need to do for us to complete your request.

- **Section 4 - Payments**

Application of Payments

If your credit contract commenced prior to 1 July 2012 and it is not designated as a Business Account, we are changing the way payments to your account are applied. This change will mean that payments to your account will be applied in the same way we do for credit contracts which commenced on or after 1 July 2012.

Accordingly, we have deleted the words *“For credit contracts which commenced on or after 1 July 2012 and which are not designated as ‘Business Accounts’”* in the first paragraph under the heading ***Application of payments.***

We have also deleted, in its entirety, the second paragraph under the heading ***Application of payments.***

This means that the paragraph that starts *“For other credit contracts we will apply payments to your account in the following order, considering the transactions and credit plans outstanding on your account:”* and the associated paragraphs numbered 1 through to 12 is deleted in its entirety.

- **Section 5 - Special promotions**

Fixed payment options

The way we calculate interest has now changed. As such, if you do not pay the monthly instalment by the payment due date we will now charge interest on that monthly instalment at the non-promotional rate from the day after the payment due date.

Accordingly, the words *“the day after”* are inserted in the first sub-paragraph of the fourth bullet point under the heading ***Fixed payment options***, such that the sub-paragraph now reads as follows:

- *that monthly instalment will, from the day after the payment due date, be charged interest at the non-promotional rate; and*

- **Section 6 - Statements and other notices**

Statement of account

The way we will send you statements has now changed. Accordingly, the second sentence in the first paragraph under that heading which starts “*We will send you a statement at least every 6 months*” is deleted in its entirety, and replaced with the following:

You may also request statements, and we will also send one whenever required by any applicable code.

- **Section 7 - Default, suspension and closure**

When you can close your account and cancel any payment facility

You are currently entitled to request that we close your account, however we are amending the clause to make it clearer that you can request that your account be closed and your credit contract be terminated. You are able to do this by contacting us, including through internet banking.

Accordingly, we have made the following changes:

The heading ***When you can close your account and cancel any payment facility*** is deleted and replaced with “***When you can cancel any payment facility, close your account and terminate your credit contract***”.

The first paragraph under that heading which starts “*You may close your account*” is amended by adding the following sentence at the end: “*You can contact us to request an account closure through internet banking*”.

The second paragraph under that heading which starts “*If you close your account, your credit contract will end 30 days after the date you ask us to close your account*” is deleted in its entirety, and replaced with the following:

We will process the request to close your account as soon as is practicable, once the balance of your account is zero.

The first sentence in the third paragraph which starts with “*if you wish to close your account*” is amended to insert the words “*and terminate your credit contract*” so that the sentence reads “*if you wish to close your account and terminate your credit contract you are required to:*”

After the paragraph which starts “if you wish to close your account”, the following paragraph is added:

We will tell you if there is anything else you need to do for us to complete your request.

- **Section 8 - Interest charges**

Interest free period

The way we calculate interest has now changed. As such, the heading ***Interest free period*** and everything which follows after it has been deleted and replaced with the following paragraphs. However, the previous terms continue to cover how interest on the retail purchase balance will be calculated for days up to and including 26 December 2018. You will have an interest free period starting on 27 December 2018 if on the last payment due date up to 26 December 2018 you paid the closing balance from the last statement of account (excluding any fixed payment option balance not due for payment by that payment due date):

Interest free period

An interest free period may apply to the retail purchase balance.

An interest free period starts on the day your account opens.

Once an interest free period starts, it continues until you fail to pay by a payment due date the closing balance from the last statement of account (excluding any fixed payment option balance which isn't due for payment by that payment due date). The daily interest calculation will commence the day after that payment due date.

Another interest free period will commence when you pay the closing balance from a statement of account by the payment due date on that statement (excluding any fixed payment option balance which isn't due for payment by that payment due date). The interest free period starts on the day you pay that closing balance.
